NO CHILD goes
hungry in Halton!**

Food4Kids Halton is an essential support system for many of my families in need. By providing healthy food bags for families for the weekends and throughout the summer, Food4Kids Halton provides nutrition to children that may go without if it weren't for them. My school and families are so grateful for this support and are often brought to tears of thankfulness for the generosity and caring that is demonstrated by Food4Kids Halton.

Note: Per the CRA, Sponsorships are not eligible for tax receipts, as they are considered business agreements offering commercial benefits, such as publicity and signage. Sponsors will receive a letter and an invoice confirming their payment. Typically, businesses use marketing or sponsorship budgets for these payments, making it more advantageous for them to claim the expense as a write-off rather than a charitable donation.
